SAUEL P. GIBSON, Bethel. For Register of Deeds, (Eastern District) PRESTON S. LOWE, Buckfield. For Register of Deeds, (Western District) ELMER H. GOSWOLD, Fryeburg. For County Treasurer, JOSEPH M. POOLE, So. Paris.

NORWAY AND VICINITY.

The summer schools are closing. The Norway postmaster has had an increase of \$100 in his salary. A strictly pure wine vinegar at F. H. Noyes' Grocery Store.

A. B. Best of Auburn, is at work at the Advertiser's office.

Lewis O'Brien, wife of Auburn, were in town last week.

Lillies in abundance from the North Point, spreading their appearance.

John, appearing of Buckfield, was in town Tuesday.

New plaid sidewalks are being laid at the Falls.

Sam A. Leonard has gone to her home in North Monmouth to visit her mother.

The water pipes are being laid in some of the houses.

We haven't heard anything of late about the boat race between Beaver and Avery. Has it been given over?

C. W. and L. Partridge at the Lake want to buy \$5000. See advertisement.

Yachtman's cheroots warranted each Havana filled for 25 cts. Try them, for sale at F. H. Noyes' Grocery Store.

The Grangers have a picnic at the landing Saturday and the "Crockett" Ridge at the Fair Point.

C. L. Hathaway's front yard is a very pretty and attractive place at this season of the year.

The new street across land of Mrs. Clara A. Hayden and her heirs has been built and lots in its vicinity are now offered for sale.

Amie G. Witt, teacher of the Lower Primary school, has been sick for two weeks with a slow fever. She is slowly improving.

The officers elect of Norway Commandery, No. 247, I. O. G. T., will be installed by Deputy Commander, C. L. Pike, Friday evening.

C. M. Packard recently visited the land of Greenwood on a fishing trip. He caught 75 trout and 24 pickerel in two days fishing.

E. H. Jenkins, manager of the Maine Book Agency of Portland, was in town Saturday appointing agents to canvass for books.

There was no preaching at the Universalist church last Sabbath. Rev. Miss Angell being called to attend to the funeral of Geo. W. Plummer.

The big shower last week caused the earth to cave in in some places in the water pipe ditches. Some lively repairing followed.

Charles G. Knight of North Waterford, is selling considerable lumber and building materials in this vicinity. He has more orders than he can fill.

Dr. C. L. Pike went to Brunswick last week to attend a clinic session. He reports a great change in the place since he last heard lectures in the medical school.

Avery and Spaulding's boat is about ready for launching. It is modeled after the Maine peninsula boats and is the only one of the kind we have ever seen.

We learn that several trunks were performed at the recent circus were rather expensive to the buyers. It is better if one has the money to get them broken up before going to a circus.

Geo. C. Norworth is soon to move into his home on Beal and Marston Streets. It has been nicely fitted up. The curtain hanging, etc., has been done by Noyes' Drug Store establishment and everything is in a happy state.

"Johnny" went away to Bangor to the State meeting Monday morning. He will be gone a week and it is supposed that he will enjoy himself hugely. The company turned out about fifty men.

Peter Frost showed us samples of his early potatoes. They were very fine. He has a good crop of early potatoes. Also Champion of England peas full grown. The date was June 24. Mr. Frost has some of the best looking Charlie Downer strawberries.

There is considerable curiosity among certain of our people to learn what kind of a building Prof. C. A. Stephens is erecting at Norway Lake. We advise them to be patient and it will soon be apparent.

Samuel Taylor at the Elm House shows us some fish hooks very different from what they use in this country. These hooks are made out of pearl oyster shells and are nearly two inches across and were made and used by the South Pacific Islanders and were brought home by Mr. Taylor as curiosities on one of his voyages to the South Pacific Sea.

Monday S. S. Smith brought to our office a nice box of strawberries as one could wish to see. They were very fine. Sharpness and as large as a fair sized apple. Thirty-six of them filled a quart, and they were very fine. We bought one like many of the large varieties. Mr. S. raises a good many strawberries which he sells here in the local market.

The celebrated Battafoglio family at Norway Hall this (Friday) evening. This family is direct from Scotland. The only Scotch family of note in this country. The program embraces choice Scotch songs, stories and music, and a feature of the evening will be the beautiful Highland Fling by two children. Admission 25 cts.; reserved seats 35 cts., for sale at Geo. C. Norworth's.

Whitcomb & Snellgrove and Fanny Goods Establishment is the place to go for the best of Norway Lake. They select their goods with great care and from experience know just about what people want. Here you can find good honest goods at good honest prices. They have you to call and examine their stock and judge for yourself of the merit of their goods.

The Criticism Dramatic Company played "The Two Orphans" last night at the Norway Hall. They had fairly good houses and those who attended were pleased with the playing. "Little Lulu," the child artist, appeared in several songs which were heartily applauded. This is the same company that played here last summer.

The cottage of Judge Whitman and others at the Point on the shore of the lake has been completed and is ready for occupancy when the fishing season opens. We apprehend that the number they take this season that we may know at its close who is entitled to the title.

J. H. Danforth, of the Holstein Land Co. of North Stratford, N. H., sends ten dollars to the Centennial Committee on finance. He also states that he has enough to draw on him for ten dollars more. Mr. Danforth is a Norway man and his wish is the wish of the Advertiser.

"Opportunity," No. 4294, owned by Dr. W. W. Brown, who died Saturday night, weighed 325 pounds, when he was put into winter quarters in Al Richardson's stable. On the 25th day of May the colic seized 625 pounds and one month later he weighed 625. The doctor predicted that at State Fair he would weigh 725 pounds. Wait and see.
